BOOK and MAGAZINE donations are always welcome! If you are downsizing your craft library, please contact **LEIGH** at: akamoraih@gmail.com I will be happy to try and help defray the costs of shipping. **The Craft Bibliography Project** is limited only by the materials I have access to catalog. If a particular craft is not represented yet, it is because I do not have enough materials to start a page for it, and of course I am always looking to expand and improve the bibliographies I do have.
