

Quilter's Newsletter Magazine - State Blocks by Barbara Brackman

Started in Oct. 1978 #106 (Arkansas) through June 1996 #283 (Minnesota)

Published patterns were NOT in alphabetical order--random organization.

**All patterns were collected by Barbara Brackman except for Indiana which was attributed to Susan McKee by error or because she actually wrote that article (#135 Sept. 1981).

It is unknown, Barbara Brackman did not know either or have a record.

B. Brackman had no recollection of whether she wrote the Indiana article.

Brackman later published the patterns in a book, there are some changes from the original QNM articles & patterns were on a CD.

Started Oct 1978 #106 Arkansas; Ended June 1996 # 283 Minnesota.
